

Morrow Middle School 2019 - 2020 Dress Code

Morrow Middle School is a "uniform school". Student's clothing, make-up and hairstyles should reflect neatness, cleanliness and self-respect so that the school is a desirable place to promote learning and character development. We continue to highlight the importance of school safety by designating student grade levels by shirt color. This will enable us to keep a visual watch over all students as they learn and maintain their day to day activities. Thank you for your help in making this another wonderful year here at Morrow Middle School.
